PROFESSIONAL SUMMARY

Lead Visual & UI Designer with 7+ years of experience delivering high-impact UI design, marketing design, branding, and digital experiences across AI, mobility, health-tech, e-commerce, SaaS, and travel. Proven expertise in website design, landing pages, brand identity, creative strategy, performance marketing, motion graphics, and visual storytelling. Experienced in collaborating with product managers, marketers, developers, and cross-functional teams to create user-centric, conversion-focused designs that drive engagement, strengthen brand consistency, and deliver measurable business impact.

WORK EXPERIENCE

Lead Creative Designer

ConverzAI, Remote

July 2025 - Present

- Led the end-to-end redesign of the corporate website, simplifying complex AI messaging through improved information architecture, user flows, visual hierarchy, and conversion-focused UI.
- Defined, designed and implemented a scalable visual identity system across marketing and product touchpoints to strengthen brand consistency.
- Created marketing assets for demand generation, product launches, webinars, events, paid campaigns, email marketing, and social media.
- Partnered with product managers, marketing leadership, content strategists, and developers to align creative execution with business objectives.
- Improved creative workflows by incorporating AI-assisted design tools and streamlined production processes.

Design Manager

OLA, Bengaluru

Nov 2024 - June 2025

- Led creative execution for multiple product launches, developing integrated marketing campaigns across digital, social media, print, OOH, events, and retail.
- Managed visual communication for Bharat Mobility, 4K Stores Launch, and Ola S1 launch campaigns.
- Collaborated with cross-functional teams including product, engineering, marketing, operations, and leadership to ensure creative alignment.
- Defined campaign visual language, launch themes, and creative assets to deliver cohesive brand experiences.
- Supported creative planning, campaign execution, stakeholder management, and project delivery across multiple business verticals.

Senior Designer

MediBuddy, Bengaluru

May 2023 - Oct 2024

- Led creative development for integrated marketing campaigns across digital platforms, CRM, email marketing, paid media, social media, and offline marketing.
- Redesigned brand guidelines to establish a scalable visual identity across multiple business units.
- Produced high-performing marketing creatives through A/B testing, increasing campaign CTR by 72%.
- Worked closely with marketing, growth, product, and content teams to optimize customer engagement and conversion.
- Designed presentations, healthcare campaigns, landing pages, and promotional assets aligned with business goals.

Senior Graphic Designer

June 2021 - Feb 2023

Myntra, Bengaluru

- Designed user-centric landing pages, promotional experiences, and visual interfaces that improved customer engagement across the Myntra platform.
- Created motion graphics, in-app campaigns, banners, and digital marketing creatives supporting large-scale promotional events.
- Collaborated with engineers, product managers, and marketing stakeholders to deliver engaging shopping experiences.
- Contributed to gamification initiatives that enhanced user retention and app engagement.

Graphic Designer & Strategist

Girnarsoft (CarDekho), Gurgaon

Jul 2020 - Jun 2021

- Led creative execution for product launches and integrated marketing campaigns across TV, digital, social media, and CRM.
- Developed visual communication strategies to strengthen brand awareness and customer engagement.
- Produced explainer videos, motion graphics, campaign creatives, and presentations for product marketing initiatives.
- Collaborated with marketing and product teams to deliver consistent brand experiences across customer touchpoints.

Graphic Designer

Thrillophilia, Jaipur

Mar 2019 - Jul 2020

- Designed integrated digital marketing campaigns across social media, email marketing, paid advertising, and Google Ads.
- Developed engaging visual assets for customer acquisition, brand awareness, and performance marketing.
- Designed executive presentations, promotional campaigns, and sales enablement materials.
- Supported optimization of digital campaigns through creative experimentation and performance analysis.
